To Whom It May Concern:

We, the Board of County Commissioners of Noble County, would like to express our concerns pertaining to the new 2 way radio regulations.

This past year Noble County spent numerous hours and over \$25,000.00 setting up our new radio system. We had to apply for a new radio license, purchase new radios and bases, and signed a renewable contract with the City of Perry to use their radio tower for our new antenna. This all took many months of hard work and years of saving the money to purchase the new system. We had planned on the new system servicing Noble County for at least 15-20 years with minimal repair expenses.

Previously, Noble County worked with a system set up in 1962. It was of little
